2006 - 2016

3rd Orthocaps® Symposium 2016

29-01-2016 30-01-2016

Guest Speakers

Dr. Achille Farina
Specialist in Orthodontics

Dr. Farina, was clinical instructor at "Center for Studies and Research in Orthodontics" in La Spezia, Italy from 1989-1999. He was a clinical professor and director of the Graduate Research Program on the Invisalign Technique at University of Ferrara, Italy from 2001- 2011. From 2011 to 2014 he helped the University of Pisa and ScanSystems® in developing the first Italian aligners system (All In). Dr. Farina is now the clinical consultant and exclusive representative of Orthocaps in Italy.

Dr. Karin Hammeke
Specialist in Orthodontics

Dr. Hammeke practiced orthodontics at her private office in Germany from 1993 – 2011. She started studying Psychology at the University of Münster in 2012 and received her Bachelor's degree in 2015. She is currently enrolled in the Master's program of the University of Münster in Psychology.

Dr. Sonil Kalia
Specialist in Orthodontics

Dr. Sonil Kalia is a visiting associate clinical professor at Aarhus Denmark in biomechanics and adult orthodontics with segmental arch technique. His main interests are biomechanics and aligner treatments. Dr. Kalia was one of the first clinician to use the Invisalign technique in the UK. He also co-authored a chapter in the new book "Adult Orthodontics" by Birte Melsen. Dr. Kalia is now the clinical consultant and exclusive representative of Orthocaps in the United Kingdom.

Dr. Konstantin Pischel
Specialist in Orthodontics

Dr. Pischel is in private practice in Linz Austria. He is one of those clinicians with the most experience in using the Orthocaps system. Dr. Pischel's experience and feedback has helped in the development of the Orthocaps system.

Univ.- Prof.Dr. Olivier Sorel
Specialist in Orthodontics

Prof. Sorel is the chairman of orthodontics and head of the orthodontic department at the University of Rennes. Dr. Sorel is also the current president of the French Society of Orthodontics (SFODF) and the former president of the French Lingual Orthodontic Society.

Prof.Dr. Benedict Wilmes
Specialist in Orthodontics

Prof. Wilmes is an associate professor at the Department of Orthodontics at the University of Düsseldorf. Dr. Wilmes also did a postgraduate training in oral surgery at the Department of Maxillofacial Surgery at University of Münster, Germany. Dr. Wilmes is a visiting associate professor at the University of Alabama at Birmingham, USA. He was awarded the first prize of the German Orthodontic Society in 2007 and the first prize of the European Orthodontic Society in 2009.
